Herbal Essences
Touchably Smooth
Smoothing Serum

A helper pair of
hands for the
parts in the back

Alligator Clips
for sectioning
out hair

* Expert Tip: If you have naturally thicker or coarser hair, you can mix Herbal Essences Touchably Smooth Smoothing Serum with your Herbal Essences Touchably Smooth Anti-Frizz Crème for added smoothness and frizz fighting. But if your hair is finer, stylist recommends using just the Anti-Frizz Crème because it has a conditioning formula that will leave your hair smooth without adding too much shine).
